Pemberton highlights

There's a lot to love about Pemberton, and our cabins have been designed especially to cater for outdoor, adventurous types, with the Pemberton Mountain Bike Park just 800m away.

- Wineries and breweries, seasonal food events
- Hiking, bush-walking, mountain biking, fishing, horse riding, bird watching, canoeing and kayaking
- The trio of fire lookout trees, including the Gloucester Tree, just 3km away
- 4WD out to Yeargup Dunes & Windy Harbour

For new visitors to the region, your first stop should be 50m away at the Pemberton Visitors Centre, and a trip on the Pemberton Tramway to acquaint yourself with the history of the region.

Why the name, 'Jaspers'?

In 2017, Pemberton was chosen as the location of the coming-of-age movie, *Jasper Jones*, from the book of the same name by Craig Silvey. In the movie, our site was used as a car lot!
